Dear Mr. Twitchell:

I wish to acknowledge and thank you for your letter of September 17 inviting me to attend the World Assembly for Moral Re-Armament on Mackinac Island from September 25 to October 5, 1954.

I would like to be present myself but, unfortunately, my schedule is such that I will not be able to attend. However, I would appreciate sending [] to represent me. He will discuss with you upon his arrival the length of his stay and how generally his affiliation with this Agency should be known.

With best wishes,

Sincerely,

AWB
